MEMORANDUM FOR: AD/OSI

FROM: Legislative Counsel

In a letter dated April 5, 1951 to the Director from Senator Brien McMahon, Chairman of the Joint Congressional Committee on Atomic Energy, Senator McMahon stated, "Needless to say, all information was carefully screened for security and accuracy, and I am informed that the Committee staff was assisted in this work by members of your organization. For this assistance, I am most grateful."

I thought that this citation might be of interest to you and your staff.
